Country Demands Taft for President.

It is my opinion that President Taft is the most available man who can be nominated for President. He is the strongest man, and is more likely to lead our party to victory in November. The Republican party can not afford not to nominate him, if we do, then we will repudiate the principles and platform that is holding and holding our party together. Under the leadership of President Taft we need not suffer any uneasiness because of his ability and wide intelligence he knows the needs of our country and has the courage to advocate the progressive principles upon which our party is founded. Taft may have made some mistakes, but remember, he has gone over some advanced ground that no other President ever discovered, many great and profound questions have come before him that were never dreamed of by his predecessors and he met those questions fairly in a business like way, and he did it quietly and the country never realized the value of his service. The earliest advocates of fanatical theories never did anything only to agitate and obstruct true progress. Taft has opened the way and espoused the kind of progress that brings results.

It is imperative that we re-nominate Taft. During his administration he has confronted the most trying conditions the country has ever gone through, he has handled those conditions with patience and ability and we are now on the eve of the greatest business revivals the country has ever known. There can be no sane reason given for a change in administration. Taft is safe, sound and conservative and the business interests of the country is cognizant of the fact. He has met the tariff question judiciously. The Panama Canal will be completed two years earlier than scheduled by his ability. He has extended the postal service to a revenue producer instead of an expense. He tried to open a reciprocity treaty with Canada which would have enlarged the markets for American goods. He has earnestly enforced the Sherman Anti-Trust law. He has taken advanced grounds on many questions and I do believe the country and party needs his able service for another four years.

Some time men become impulsive and act too hasty and throw their country into confusion and distress. President Taft is slow, he takes ample time to deliberate and prepare himself for the emergency and then acts for the good of the whole country. President Taft has served about three years of his administration, and as I have said before under trying conditions. He has ably taught the universal brotherhood of man by laying a broad, practical foundation for a world-peace. He has established order in the Philippines and has planted powers of self government in that far off land. So, if we will take his administration as a whole, consider the difficulties and trying conditions through which he has passed, then we will find that he has made a splendid executive, a wise statesman, a safe leader and deserves the endorsement of the people for a second term.

Yours truly,
F. M. Stewart,

He Is In.

Col. Roosevelt has followed his hat into the ring and is a candidate for President. The eagerly awaited reply was given out on the 25th. It is unexpectedly brief, but definite and firm. The fight is on between Taft and Roosevelt and the finish will be exciting. The platform of Col. Roosevelt contains some dangerous doctrine. We believe that Mr. Taft will be renominated, but the announcement of Roosevelt brings confusion and adds to the burdens of the party in November. Four years ago Roosevelt made Taft President, now he is determined to unmake him.

O, what a change!

Farmers' Telephones.

A dollar a month does not go far enough after it gets into the telephone company's treasury to satisfy the manager who has to pay the upkeep and operating expenses on a big rural line system, and keep a little small change to hand over to stockholders once in six months. He has to cut too many corners, and run too many chances of getting caught short of a bank balance by a sleazebag, or a law suit.

Twelve dollars a year is too low for farmers' line service on the average system, with the quality and cost improved as it has been in the last few years. It is time to start after this rate. The farmers can afford to pay more—why should not they be induced to recognize value received?

Of course we know what the farmers do when it is proposed to raise the telephone rate. But can this go on forever? What is the best way to get this thing into better shape? Some have done it already.

The Nightingale of Organs

MIDDLEMEN WIPED AWAY

I've busted the hot air bubble of the dealers, agents and middlemen of this country by selling direct to the homes at the same price they formerly paid me for my organs.

SEND ME YOUR NAME

whether you want to buy or not and I'll send you free of charge and postpaid the most wonderful organ book and buying plans ever saw. All the organs in this country claim they are the best organ but do not give you any proof. I do, and here is the proof. I own my own timber lands, saw mills, dry kilns and factories. I have no other means of profit for lumber or other products. The profits that other manufacturers pay to lumber and saw mills, I put into my Adler Organ. The Nightingale of Organs. That's the reason my organ is better than any other make. I'm not a dealer. I manufacture my organs for 60 years, whereas others guarantee theirs for 10 to 12 years. Don't this mean something? My selling prices are the lowest, simplest, easiest and most successful placed before the American public, in that I grant my customers all the time they want, a free trial, and I guarantee as it suits their income and circumstances, give them reasonable estimates. If you if they can't meet their payments and charge them no interest. Ask some of your neighbors who deal with me about this. That's the best proof you can get. I would just as soon give you \$1,000 in gold if you can duplicate this proposition.

MY ORGAN (THE NIGHTINGALE OF ORGANS)

has a tone nearest to the human voice, a pure singing tone that lasts a life time and it won't get tired. It gives the St. Louis World's Fair another proof of my organs and the best. It speaks in a beautiful organ these days and everybody is buying an Adler organ because of its high quality, wearing qualities, price and reputation. I am selling them for less than dealers and agents are selling cheaper organs. My organs are made of the finest materials, and are guaranteed for 60 years. I don't care how long you live, I'll be here to take care of you. My organs are made of the finest materials, and are guaranteed for 60 years. I don't care how long you live, I'll be here to take care of you.

75,000 ADLER OWNERS SAVED \$2,625,000

Before I sold direct to the homes at wholesale factory prices, as I am doing now exclusively, I used to sell to dealers only. But when I found out that they were charging me twice and three times as much as they paid me, making the poor people bleed for it, I was thunderstruck and quit. I sent out thousands of notices telling them they couldn't buy another organ from me, that I meant to sell direct to the homes, saving them the enormous, unreasonable profits and expenses they were charging them. This came to them as a thunderbolt from a clear sky. In round numbers I've saved my customers over \$2,625,000 at least \$2,000,000 of which would have gone to the dealers had I sold the organs through them. You surely appreciate what this means.

Your Piano

is simply this. I will ship you, on 30 days trial, an organ you want, on any reasonable terms you may suggest. Just as it suits your income and circumstances. If you have it at the end of the trial period, which I know you will, you can pay all cash or a small sum down and the balance monthly, quarterly, semi-annually or on any other reasonable way. If you don't like your organ, you can return it to me, and I'll refund you the purchase price. If you don't like your organ, you can return it to me, and I'll refund you the purchase price. If you don't like your organ, you can return it to me, and I'll refund you the purchase price.

HIGH SCHOOL ENTERTAINMENT.

An Evening of Delightful Comedy.

Those who want to laugh until their sides crack must be in readiness to attend the dramatic entertainment of the Butler County High School, which will be held in the auditorium about the middle of next month. Three plays will be staged and each one has proved to be a decided hit. The program will be opened with "The Sweet Family," a most comical representation of the frauds that are practiced in the medical world every day. The second number will be the famous burlesque musical comedy entitled "The Sweet Family." This very amusing production is put on by female characters only and the imperfections of song, story and verse, which are so flagrant in it, are sufficient to keep any audience in an uproar. The closing number will be the best of all—a most humorous sketch entitled "Striking Oil." This selection vividly portrays what a large part nationality plays in the affairs of the world and comically illustrates the courage of American womanhood to resist the offers of foreign nobility. The Athenian Orchestra will be on hand and the proceeds will be donated by the High School toward liquidating the debt on the auditorium chairs.

A house on the farm of Mr. Luther Gilliam in the Rolling Springs neighborhood was burned last Sunday night and a negro boy perished in the flames. The entertainment was great.

PERSONAL

Movements of People in the Social and Business World.

Mr. J. Wm. Hays, son of Mr. J. F. Hays, of Rochester, was among the students of Ogden College, who celebrated the anniversary of the birth of George Washington on Feb. 22. The entertainment was under the auspices of the Ogden Literary Society. The address of Mr. Hays was titled, "The Roll Call of the Fathers." The Bowling Green Messenger in giving an account of the celebration has the following: "The next on the program was Mr. J. Wm. Hays, of Rochester, Ky. Though born and reared in Butler county, Ogden College claims him today as her own. Mr. Hays showed the skill of a lawyer in handling his subject, and held his audience better than any of the other speakers." The other papers of the city also highly complimented the speech of Mr. Hays.

Messrs. Geo. W. Taylor and Frank Lane returned home from Tennessee Saturday.

Mr. J. C. Blaneett and Mrs. J. C. Blaneett are visiting relatives in Morgantown.

Tuesday evening the music lovers of Morgantown enjoyed an entertaining recital given under the auspices of the Woman's Music Club at that place, by Frieda Langensmith, of New York, who recently returned from Berlin. She has a fine contralto voice and her accompanist was Miss Alma Keister, of this city, the popular pianist. The hall was packed to its utmost capacity and it was one of the finest recitals ever given in that place. Bowling Green Messenger.

Mr. and Mrs. J. E. Wright, of Caneyville, are visiting Mrs. Wright's parents, Mr. and Mrs. Lon Neal.

Mr. J. O. Carson has returned home from St. Petersburg, Fla.

Miss A. M. Taylor then recited "Pro Patria." This patriotic recitation was very inspiring to all present. Miss Taylor is a reader of wonderful natural ability. Nature has been kind in endowing her with voice, manner and thought. She is a rising star.

Then came the climax, which was reached by Mr. Estill W. Neal in his speech "A New Vision."

Mr. Neal is a veteran orator and for fifty minutes held the large audience enraptured. He will go

PERUNA SAVED MY LIFE.

"I Recommend it Wherever I Am."

Mrs. J. M. Stabler, of Stabler, Millersburg, Ind., writes: "I have been cured of a very bad case of catarrh of the stomach and constipation, and a complication of ailments that I have had for several years. I doctored with three doctors, who did me no much good, so I quit doctoring. I bought a bottle of Peruna and commenced taking it. I found I was getting some better, but thought I was not doing as well as I might. So I wrote The Standard Medical Department, to see what they thought about me. They gave me special directions and medical advice. On their endorsement I improved and am today a well woman and weigh as much as I ever did in my life. "I tell my friends that Peruna saved my life. I recommend it wherever I am, and when any of our folks are sick, I give them Peruna with success."

A GREAT SUCCESS

Was the Oratorical and Musical Entertainment.

STIRRING, SPEECHES AND RECITATIONS.

The one hundred and eightieth anniversary of the birth of Geo. Washington was celebrated at the Baptist church on Thursday evening, February 22, 1912, under the auspices of the auditorium committee.

The program was opened by Rev. J. W. Wade, who showed his skill as an orator in the way which he handled his masterly address.

The next on the program was Miss Miriam K. Gillen one of the principals of Butler County High School. Miss Gillen recited "Gazelle and Swan." For this selection she has a pleasing and skillful interpretation. Her reading is exquisite and thoroughly artistic.

Mr. Eldred Daugherty followed with Henry Lee's Eulogy on Washington. He has a fine voice and is a great young speaker and completely surprised and held his audience spellbound from start to finish.

Miss A. M. Taylor then recited "Pro Patria." This patriotic recitation was very inspiring to all present. Miss Taylor is a reader of wonderful natural ability. Nature has been kind in endowing her with voice, manner and thought. She is a rising star.

Then came the climax, which was reached by Mr. Estill W. Neal in his speech "A New Vision."

Mr. Neal is a veteran orator and for fifty minutes held the large audience enraptured. He will go

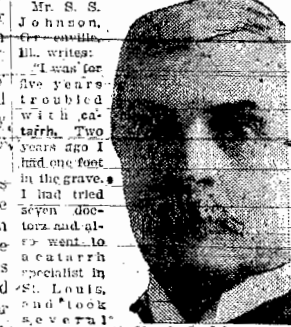

to Louisville next week to deliver the speech to the city.

The Athenian Orchestra furnished music for the occasion, and closed the evening with a piece of patriotic music.

The entertainment was a financial success, cash receipts, \$62.

TRIED SEVEN DOCTORS

My Life Saved by Pe-ru-na.

Mr. S. S. Johnson, of Morgantown, Ky., writes: "I was for five years troubled with catarrh. Two years ago I had one foot in the grave. I had tried seven doctors and all failed. I went to a catarrh specialist in St. Louis, and he looked several kinds of medicine a day. I could not walk more than a hundred yards without resting. My friends told me to take Peruna and I did so. I now feel that Peruna has saved my life. It is the best medicine on earth, and I would not be without it."

Gave Up Hope

"I suffered five years with awful pains, due to womanly troubles," writes Mrs. M. D. McPherson, from Chattanooga, N. C. "They grew worse, till I would often faint. I could not get at all, and I had an awful hurting in my side; also a headache and a backache. I gave up and thought I would die, but my husband urged me to try Cardui. So I began, and the first bottle helped me. By the time the third bottle was used, I could do all my work. All the people around here said I would die, but Cardui relieved me."

Montrose, Col.—"I was troubled very much with irregular periods. Sometimes two months would elapse. I suffered severe headache, was weak and nervous, could not scarcely sleep."

Geneva, Iowa.—"I have been teaching school for some years and I have neglected my health because I was too busy with my work to attend to myself properly."

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills.
